

Highlights:

- Height adjustable from 920 - 1340 mm
- Metal top plate with anti skid
- Triangular base with gripping pins
- Pin for locking height adjustment is included
- Can carry a max load of 35 kg

CST420/B is a steel monitor speaker stand that has a metal top plate to mount a speaker on. The plate is 225 by 230 mm and is provided with anti slip protection. The triangular base makes this a stable and reliable stand. A safety pin in the vertical post ensures reliability and safe height adjustment between 920 - 1340 mm.
